### Annotation

Tastings are held in "Maran" factory, located in Musaler village of Armavir region. Tasting duration depending on the group size takes 1-1.5 hours. If the group is less than 5 people, the amount is paid for 5 people.

There is an available option of having a comprehensive presentation about winemaking history of Armenia, cultural values and role of winemaking in everyday life of Armenian nation. The presentation will also include the main aspects of winemaking technologies for different beverages. Amount of 15.000 AMD will be added to the total cost of the tasting in this case.
